Welcome to Macomb Schools! The Illinois School Code is very clear anyone seeking to enroll a student in any public school in Illinois must follow and meet specific residency requirements. *Residency must be established in order to enroll children in our District.* Nonresidents may enroll children and will be charged the current tuition rate established by the Illinois State Board of Education. Tuition for the 2011-2012 school year will be approximately $10,000 as established by ISBE. You will be billed from the date of enrollment or the first day of the student school year, whichever is later.
