

## BUS RIDER PROCEDURES

### Student **Bus** Procedures

Student safety is our #1 goal at Lincoln School. We expect the students to follow the procedures for bus riders to keep themselves safe. *Please* follow these procedures:

- Arrive at your bus stop 5 minutes early
- Walk to and from the bus
- Ride only on your assigned bus
- Obey the bus driver
- Keep hands, feet, and objects to yourself
- **Stay seated at all times and remain in your seat** until the bus stops completely
- Take care of the bus and keep it clean
- Use quiet voices at all times
- Keep windows at or above the line
- Do not eat, drink, or chew gum on the bus

I have read the *Student Safety Procedures for Bus Riders* for both parents and students and discussed them with my child. I agree to follow the procedures to keep my child safe.

### Parents of **Bus** Riders

Student safety is our #1 goal at Lincoln School. We expect the students to follow the procedures for bus riders to keep themselves safe. *Please* follow these procedures:

- Make sure your child arrives at the bus stop 5 minutes before the scheduled bus arrival time, buses will not wait
- Parents of kindergarteners must be at the bus stop before **and** after school or your child will not be picked up/dropped off
- Students returned to the school will attend the MAP program and be billed for program attendance
- There will be no back-tracking (if students miss the bus, parents are responsible for getting them to/from school)
- If your child needs to ride a different bus after school, you must call the school office as well as the transportation service—changes must be called in **before** 2:00
