Office Hours: 7:30 AM - 3:30 PM

Family Handbook

2023-2024

Early Childhood Education

Pre-School and Pre-Kindergarten

Welcome to MacArthur Early Childhood Center. The well-being of children is our highest priority. The Family Handbook is a guide to a safe learning environment. We believe that a team approach – children, family, school, and community – is the most effective way to face the challenges of rearing and educating children.

The district shared mission states Macomb Public Schools will “prepare each student for a successful future”. MacArthur Early Childhood Center is “building the foundation of our future.” In a safe and nurturing environment, all children at MacArthur will:

Have a love of learning
Be independent thinkers

Be respectful to others
Be problem-solvers

Curriculum

- Children attending MacArthur experience a variety of engaging activities to develop a solid foundation for future school success.
- MacArthur teachers use the Illinois Early Learning and Development Standards to involve children in every area of development.
- Our early childhood teachers have developed curriculum maps and monitor the progress of children with the state approved Teaching Strategies GOLD curriculum.

Half Day Schedules

MORNING

8:00 Opening Activities
8:20 Instructional Block

10:20 Closing
10:30 Dismissal

30 minutes Gross Motor
60 minutes Choice Time
10 minutes Large Group
10 minutes Music
20 minutes Small Group

AFTERNOON

12:00 Opening Activities
12:20 Instructional Block

2:20 Closing
2:30 Dismissal

Teachers Assessing Progress

Our staff is engaged in an ongoing cycle of observing and assessing children's progress. During this cycle staff members interact with students and determine when and how to respond to individual and group needs. Teachers do this by:

- Collecting data
- Analyzing and evaluating data
- Using what is learned to plan for each student and group activity

Teachers track student's progress using checklists, photography, portfolio collections, and benchmark testing. The assessments are consistent with the goals and objectives of Teaching Strategies GOLD and are aligned with the Illinois Early Learning and Development Standards.

Support Services

Classes and support services are available for eligible children. These services include speech therapy, occupational therapy, physical therapy, and testing by school psychologists. Vision and hearing screenings are provided at the schools by certified screening technicians.

Homeless Child's Right to Education

When a child loses permanent housing and becomes a homeless person as defined at law, or when a homeless child changes his or her temporary living arrangements, the parent or guardian of the homeless child has the option of either: (1) continuing the child's education in the school of origin for as long as the child remains homeless or, if the child becomes permanently housed, until the end of the academic year during which the housing is acquired; or (2) enrolling the child in any school that non-homeless students who live in the attendance area in which the child or youth is actually living are eligible to attend. (See policy 6:140). Assistance and support for homeless families may be obtained by contacting the office at (309)833-4273.

Arrival

- Children are to be supervised at all times to ensure their safety. Do not drop your child off unless a staff member is outside.
- Doors open at 7:30 AM for morning students. Students will walk to the gym for breakfast. Students may join their teacher at 7:45 AM. Class begins at 8:00 AM. Doors open at 11:45 PM for afternoon students to join their teacher. Class begins at 12:00 PM.
- Families who bring students may use the parent drop off lane to drop off their child one car at a time. A staff member will greet your child and guide them to the main entrance where another staff member will greet them at the door.
- If you want to walk your child to the building, park in the parking lot and walk your child to the door. As the year progresses, MacArthur encourages parents to use the parent drop off lane to prepare your child for kindergarten.

Dismissal

- Children will be dismissed at 10:30 AM or 2:30 PM. Please be on time to pick up your student.
- Children who are picked up by their parents will be dismissed after the buses have safely left the parking lot.

- If after school plans change, contact the office at (309)833-4273 by 10:00 AM or 2:00 PM or send a note in your backpack for their teacher. If we do not receive notification of a change, your child will follow his/her normal routine.
- If you move or need a change in busing, contact MacArthur one day in advance of the change to get busing situated with the bus garage.
- Adults that do not typically pick up your child will be asked to show ID and office staff must also be notified by a parent/guardian.

Bus Rules

- Children must be on time. The bus driver will not wait for late children.
- Stay at least 6 feet away from the bus until it stops completely.
- Children will stay seated at all times.
- Use quiet voices.
- Keep hands inside the windows and feet out of the aisle.
- Follow directions given by the bus driver.
- There is no eating/drinking on the bus.
- Pre-K children will not be dismissed from the bus unless a parent/guardian is present, or a pre-approved adult or older sibling is helping your child off the bus. Preapproval must be submitted in writing to the bus garage.

Use of Video Cameras on School Buses

Video cameras or other electronic devices can be used on school buses as necessary in order to monitor conduct and to promote and maintain a safe environment for students and employees. Students are prohibited from tampering with video cameras or other electronic devices. Students who violate this policy shall be disciplined in accordance with the Board's discipline policy and shall reimburse the School District for any necessary repairs or replacement. The content of the recordings are student records and are subject to District policy and procedure concerning school student records. Only those people with a legitimate educational or administrative purpose may view the recordings. If the content of a recording becomes the subject of a disciplinary hearing, it will be treated like other evidence in the proceeding.

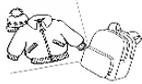

Safety Guidelines

“Children develop and learn best in the context of a community where they are safe and valued, their physical needs are met, and they feel psychologically secure.” – NAEYC

- If a child is injured at school, staff will complete an accident report and notify the parent or guardian of the incident. Reports will be filed in the students' records.
- Children play outside unless the temperature is below 25 degrees with the wind chill, the temperature has a heat index of 95 degrees F, or it is wet. Dress appropriately for the weather and label your child's name inside all coats, hats, boots, and gloves.
- Unless requested by your teacher, toys from home stay at home or in a child's backpack.

Below are phrases used by MacArthur staff to help “keep it safe” in the common school areas:

BREAKFAST

 put backpack and coat by your teacher's picture

 read a book or play quietly

 or eat breakfast

 throw trash away

 walk to classroom

HALLWAY

 eyes forward

 quiet voices

 hands at sides

 walking feet

GYM

 up the steps
down the slide

 play with what you need

 ride scooter safely

 1 person at a time

KEEP IT SAFE

 line up under numbers

 flush the toilet

 Leave door open when done

 2 pumps of soap

 1 motion of papertowel

PLAYGROUND

 up the steps
down the slide

 swing safely

 rocks and sticks stay on the ground

 do not go past the big tree

BIKE TRACK

 ride the same direction

 go around other riders; don't crash

 taxi's give rides to others

 do not go past the big tree

Emergency Drill Procedure

Safety drills occur at times established by the school board. There may be other drills throughout the year at the discretion of the administration. All safety drill instructions are posted in every room throughout the building. Children are required to be silent and comply with the directives of school officials during safety drills. No one may enter or leave the building while it is in lockdown.

Minimum drills required are:

- 3 evacuation drills
- 1 severe weather drill
- 1 law enforcement drill
- 1 bus evacuation drill

Volunteer in the Classroom/Field Trip

You are welcome to visit or volunteer in the classroom throughout the school year. When visiting, be sure to pre-arrange a time with the classroom teacher, sign in at the office, and pick up a visitor badge. All visitors are required to submit a form of picture ID. All volunteers are required to participate in background checks to ensure the safety of our students. To volunteer at MacArthur, submit a *Volunteer Information Form* to the front office.

To supplement the curriculum, field trips may be taken periodically and will be chaperoned by staff members and other adults. The selection of chaperones will be at the discretion and prior approval of the teacher and administration. All chaperones must have an approved school background check form on file with the school office at least 24 hours in advance of the field trip. Students must ride the school provided transportation to and from field trip destinations. Upon returning to MacArthur, you may sign your student out at the front office to go home.

Emergency Phone Numbers

The school must know how to contact a parent/guardian at all times. A current emergency phone number must be on record at school. Notify the school if you change home or work numbers. Give the school the phone number of a responsible person to call if we are unable to contact you.

Food Service

- Breakfast is served daily to children who arrive before 8:00 AM. Children do not eat lunch at school. There is a snack time provided during both AM and PM sessions.
- If your child has a food allergy or restrictions, a note from your doctor must be on file in the office. Notes can be faxed to (309)833-5651.
- Menus will be posted at <https://macomb185.org/254/BreakfastLunch-Menus> at the start of each month showing breakfast options.
- Complete a request form for free/reduced meals. Payments can be made online using ePay at www.macomb185.org. You can also send weekly or monthly checks to school in an enveloped labeled with your child's name.
- Payments will be credited to a family account, and you will be notified when the account is negative \$5. Family accounts overdrawn up to \$25 will be frozen.

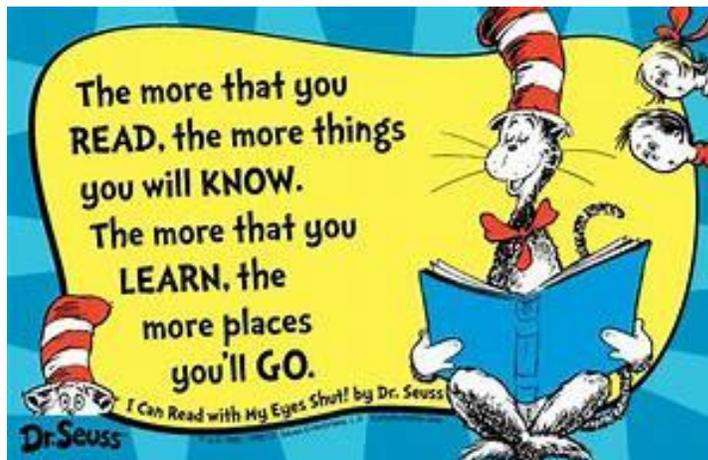

- MacArthur is a peanut free school. Birthday or special treats sent in by families must be store bought. Please check with your child's teacher to find out how many treats are needed and if there are any food allergies before sending a treat to school.

Library

Students check out one library book per week until the first week of May. Books must be returned before the next book is chosen. If not returned by May, a fine will be administered to replace missing books. Read with your child every day to increase your child's imagination and creative learning.

Please encourage good book handling skills:

- keep the books in a safe place
- do not tear or write in pages
- do not eat or drink near the book.

Health Examinations and Immunizations

Physical examinations and immunizations must be up to date prior to the first day of school according to the State of Illinois requirements. Your child will not be allowed to attend school until the school has received proof that these requirements have been met.

Illness/Absences

With a note or phone call from a parent/guardian, administrators may excuse students for up to 9 days annually. Written notification will be mailed to parents/guardians after the 7th absence saying medical verification is due on the 10th absence. Situations not included within the 9 days are medically verified absences, religious holidays, and death in the immediate family. (Policy 7:70). If your child is going to be absent, please call MacArthur at (309)833-4273 as well as the bus garage at (309)836-6806. Please see the attached information regarding COVID-19 procedures.

Children should be kept home from school when they have any of the following:

FEVER	VOMITING	DIARRHEA	RASH	EYE INFECTION	BEEIN IN THE HOSPITAL
					
Temperature of 100 or higher	Within the past 24 hours	Within the past 24 hours	Body rash with itching or fever	Redness, itching, and/or "crusty" draining from eye.	Hospital stay and/or ER visit

Children are ready to go back to school when they are:

Fever free for 24 hours without the use of fever reducing medication (Tylenol, motrin)	Free from vomiting for over 24 hours	Free from diarrhea for at least 24 hours	Free from rash, itching, or of fever; or I have been evaluated by my doctor	Evaluated by my doctor and have a note to return to school	Released by my medical provider to return to school.
--	--------------------------------------	--	---	--	--

Communicable Diseases

Parents are required to notify the district nurse at 833-6330 and the office at 833-4273 if they suspect their child has a communicative or infectious disease. A communicative or infectious diseases include Acquired Immune Deficiency Syndrome (AIDS), AIDS-Related Complex (ARC), and Human Immunodeficiency Virus (HIV). See district policy exhibit 7:280-E2, *Reporting and Exclusion Requirements for Common Communicable Diseases*, for a list of communicative or infectious diseases. In certain cases, children with a communicative or infectious disease may be excluded from school or sent home from school following notification of the parent or guardian. A child excluded because of a communicative or infectious disease will be permitted to return to school only when the parent/guardian brings to the school a letter from the school's doctor stating that the child is no longer contagious or at risk of spreading the communicative or infectious disease.

Medication

Prior to medication being administered to any student in the Macomb Public School District, an Authorization for Administration of Medication form must be completed and returned to the office. Prescription medications require physician and parent/guardian approval. Non-prescription medication must come in the original container and will not be given at school without a Parent Authorization to Administer Medication or an Over-the-Counter Medicine Form signed by the parent. Parent(s)/guardian(s) must deliver the medicine to the school office. Medication authorization forms may be obtained in the school office or on the district website www.macomb185.org under Health Forms. We will be unable to administer any medication without a completed form. (Policy #7:270) *If possible, give medications at home to avoid sending them to school.

Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the students to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to their child and otherwise follow the District's procedures on dispensing medication. No school district employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures. Medication authorization forms may be obtained in the school office or on the district website under Health Forms.

Self-Administration of Medication

A student may possess an epinephrine auto-injector (EpiPen) and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a "School Medication Authorization Form". The school district shall incur no liability, except for willful and wanton conduct, as a result of an injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication or storage of any medication by school personnel.

School District Supply of Undesignated Epinephrine Auto-Injectors

The Superintendent or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated epinephrine auto-injectors in the name of the district and provide or administer them as necessary according to State law. Undesignated epinephrine auto-injector means an epinephrine auto-injector prescribed in the name of the district or one of its schools. School nurses or trained personnel, as defined in State law, may administer an undesignated epinephrine auto-injector to a person when they, in good faith, believe a person is having an anaphylactic reaction.

This section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to (1) obtain for the district a prescription for undesignated epinephrine auto-

injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the district's prescription for undesignated school epinephrine auto-injectors. Upon any administration of an undesignated epinephrine auto-injector, the Superintendent or designee(s) must ensure all notification required by State law and administrative procedures occur.

Upon implementation of this policy, the protections from liability and hold harmless provisions as explained in Section 22-30© of the school code apply. No one, including without limitation parents/guardians of students, should rely on the district for the availability of an epinephrine auto-injector. This policy does not guarantee the availability of an epinephrine auto-injector; students and their parents/guardians should consult their own physician regarding this medication. Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

LEGAL REF: 105 ILCS 5/10-20.14b and 5/10-22.21b, and 5/22-30.

CROSS REF: 7:285 (Food Allergy Management)

Mandated Reporters

- All school personnel, including teachers and administrators, are required by law to immediately report all suspected cases of child abuse or neglect to the Illinois Department of Children and Family Services.
- **State law prohibits a child sex offender from being present on school property or loitering in a public way within 500 feet of school property when persons under the age of 18 are present, unless the offender is a parent/guardian of a student present at the school property. Parent/guardian of such students must be registered with the Illinois State Police and must fill out a form at the school regarding visits each time they are on the premises. Visits will be conducted under the direct supervision of the building principal or her designee. Note-Public Act 94-994 requires all schools to notify parents that information about area sex offenders and violent offenders against youth is available to the public. The following links will allow you to access that information: <https://www.isp.state.il.us/sor/contactsor.cfm> and <https://www.isp.state.il.us/cmvo/cmvo.cfm>**

Tips for Recognizing Child Abuse

Call the 24-hour Child Abuse Hotline at 800-25-ABUSE (800-252-2873) if you suspect that a child has been harmed or is at risk of being harmed by abuse or neglect. If you believe a child is in immediate danger of harm, call 911 first.

General warning signs

The child:

- Shows sudden changes in behavior or school performance.
- Has not received help for physical or medical problems brought to the parents' attention.
- Is always watchful, as though preparing for something bad to happen.
- Lacks adult supervision.
- Often wears long sleeves or other concealing clothing in warm weather.

Physical abuse warning signs

The child:

- Reports injury by a parent or another adult caregiver.
- Has unexplained burns, bites, bruises, broken bones or black eyes.
- Has any bruises or physical injuries but is too young to walk or otherwise injure themselves accidentally.
- Has fading bruises or other marks noticeable after an absence from school.
- Seems frightened of the parents and protests or cries when it is time to go home.
- Shrinks at the approach of adults.

Neglect warning signs

The child:

- Is frequently absent from school.
- Begs or steals food or money from others.
- Lacks needed medical or dental care, immunizations, or glasses.
- Is consistently dirty and has a severe body odor.
- Lacks sufficient clothing for the weather.
- Abuses alcohol or other drugs.
- States there is no one at home to provide care.

Sexual abuse warning signs

The child:

- Reports sexual abuse by a parent or another adult caregiver.
- Regresses to bedwetting or suddenly begins experiencing frequent nightmares or night terrors.
- Has difficulty walking or sitting.
- Demonstrates bizarre, sophisticated, or unusual sexual knowledge or behavior.
- Becomes pregnant or contracts a venereal disease.
- Runs away.

Mental abuse warning signs

The child:

- Shows extremes in behavior, such as overly compliant or demanding behavior, extreme passivity, or aggression.
- Is either inappropriately adult (parenting other children, for example) or inappropriately infantile (frequently rocking or head-banging, for example).
- Is delayed in physical or emotional development.
- Has attempted suicide or reports suicidal thoughts.
- Reports a lack of attachment to the parent.

How do I report suspected abuse or neglect

If you suspect abuse or neglect you have a social responsibility to report it to the hotline. Your confidential call will not only make sure the child is safe, but also help provide the child's family with the services they need to provide a safe, loving, and nurturing home.

In addition, state law requires that most professionals in education, health care, law enforcement and social work report suspected neglect or abuse.

State law protects the confidentiality of all reporters, and your name is never disclosed. You may still choose to make a report anonymously, but the inability of investigators to follow up with you to obtain additional information may impede our investigation and the child's safety. The law protects you from civil liability for any call made in good faith.

Emergency Dismissal School Cancellations

- The school office has a radio that warns us of severe weather. In the event of severe weather such as tornado warnings, children will remain at school past dismissal time.
- School cancellations will be posted at www.macomb185.org and on the district Facebook page “Macomb 185 Schools”. To sign up for text messaging and email alerts, go to the “notify me” tab at <https://macomb185.org/list.aspx>. Information will also be on the local radio stations and TV stations KHQA (7) and WGEM (10). **Please do not call the school regarding cancellations or delayed starts. No one will be in the office to assist you.**
- If school has a delayed start, the AM session for MacArthur will be cancelled. The PM session will begin at 12:00 PM. If school is dismissed early, the PM session will be cancelled. The AM session will be dismissed at 10:30 AM.

Surveillance Cameras

Use of video cameras in the public areas of the school building and grounds, including but not limited to entryways, hallways, outside the building on district property, may be used for the primary purpose of documenting disciplinary problems and vandalism on school grounds.

Transferring To a New School

A parent/guardian’s written permission is required in order to send a student’s school records to a new school. Upon arriving at the new school your child will be attending; you must fill out an authorization to release your student’s records. After receiving the request of records from the new school, the office will issue a transfer form, as is required by State law. No Illinois school can enroll the student until they receive the transfer form.

Pesticide Application Notice

The district maintains a registry of parents/guardians of children who have registered to receive written or telephone notification prior to the application of pesticides to school grounds. To be added to the list, please contact: Randy Smith, 323 W. Washington St., Macomb, IL 61455. Notification will be given before the application of the pesticide. Prior notice is not required if there is an imminent threat to health or property.

Asbestos Management Plan

Macomb School District 185 has submitted its Asbestos Management Plan prepared according to the requirements of the Asbestos Hazard Emergency Response Act. The law requires a visual surveillance of asbestos containing areas be completed every six months with a re-inspection conducted every three years. Copies are available in the front office.

Budget

Copies of the Macomb School District 185 budget may be viewed at www.macomb185.org. Copies are available to the Administrative Service Center, 323 W. Washington St. or in MacArthur’s office.

Board Policies

A complete copy of the district policy manual is available for your review on the Macomb School District website: www.macomb185.org. The Macomb School Annual Calendar includes information about the Family Education and Privacy Act, Special Education, Gifted Education, Suspension and Expulsion, Entrance Requirements, Student Insurance, Child Abuse and Neglect, Emergency Dismissal, and Bus Transportation. Copies of individual board policies are available upon request at the main office with 24-hour notice.

School and Community Resources

The teachers and school social workers are available to provide information on many topics and to help families access services that are available in the community. For additional community resources, go to www.roe26.net/about/social-guides and click on McDonough County.
