Time is running out to sign up to donate at the NHS spring blood drive! Be sure to stop by Ms. Morgan's room 131 to do so. In case you are undecided, here are a few facts that may help you:

More than 4.5 million people in the US need blood transfusions each year.

Your donation can save the lives of 3 or more people.

38% of the US population is eligible to give blood, but less than 10% actually donate.

Stay tuned for more information later this week on how to have the best donation experience possible!

Attention National Honor Society members: If you want to sign up to work at the blood drive next Monday, March 7, please stop by Ms. Morgan's room 131 after school on WEDNESDAY to do so.

Attention Juniors and Seniors: A representative from Quincy University will be in the Guidance Office on Monday March 7th at 9:00 am. A representative from Blessing Health Systems will be here on Wednesday March 9th at 9:00 am. If you are interested please stop by the Guidance Office to sign up.
